

ELITE OF NORTHRIDGE FALL '08

ELITE EDUCATIONAL INSTITUTE

17076 Devonshire Blvd, Northridge, CA 91325 Tel (818)831-4422 Fax (818)831-4411

At Elite, we believe that a student's academic success comes from great teaching, regular counseling, an excellent curriculum-all of which we provide-and active parental involvement-which we require. The combination translates to a degree of personal attention that other schools simply cannot match and gives the student an outstanding academic environment in which to grow. We offer solid preparation in fundamental academic skills, not quick tricks to beat standardized tests. We are dedicated to helping students and families who are committed to high achievement and ready to dedicate the time and effort it takes to succeed. We get our results by taking college admissions, and our students, seriously.
