# Summer Program Application Services

Over **75%** of students admitted to Ivy League schools participated in a highly selective summer program

Securing **summer programs**, **research positions**, and **internships** is crucial to showcase your **interests** and **experience**. Our counselors and editors can help you with **every aspect** of the summer program **application process**!

## HOW IT WORKS

### ✓ Step 1

**Work with our college experts to build a summer programs list tailored to you.**

We have a one-of-a-kind database with hundreds of high-value summer programs and know what it takes to get in.

### ✓ Step 2

**Pick up to 5 summer programs to apply to – and devise an application strategy for each.**

Brainstorming essay topics, tailoring your activities list, etc.

### ✓ Step 3

**Craft compelling and persuasive essays to gain admission.**

Elite's experienced editors will help you develop your topic and craft polished essays to increase your odds of admission.

### ✓ Step 4

**Create a resume to highlight your experiences and strengths.**

Stand out from the crowd and present the best possible version of yourself in your college applications.

### ✓ Step 5

**Receive guidance on obtaining the best recommendation letters possible.**

Learn what colleges truly value in applicants and get top-tier recommendations that highlight those qualities.

### ✓ Step 6

**Compare summer program admissions offers – and pick the best option for you!**

Choose the program that will offer the most meaningful experience and prepare you to succeed in college and beyond.
