Elite Alumni Testimonials

"This program pushed me to a level I didn't think was possible. The curriculum was challenging, the strategies were specific, and the practice tests felt just like the real thing. I scored a 1600 on my official SAT — and I couldn't have done it without Elite."

Snehith R, Georgia Tech

I applied to 15 schools and got into 14 — including MIT. (My dream school!!!!) My essay tutor helped me say exactly what I meant and cleaned up my writing along the way. My admissions counselor was sharp, strategic, and knew the process inside and out. This program delivered beyond what I expected.

Victoria Y, MIT

"I came in stressed about the SAT and left with a score I was proud of. The structured sessions, full-length practice tests, and personalized feedback made the difference. Elite Prep didn't just help me prepare for the test — it helped me get into my top choice school with a scholarship."

Hannah L, Rutgers University

I needed a strong SAT score to make my dream schools realistic — and Elite Prep delivered. The practice tests were rigorous, the strategies were targeted, and my weak areas actually improved week by week. I got the score I needed and the acceptance letter I wanted. This program works.
