Winter SAT Prep

SAT Winter Intensive + 8-Week Practice & Review

Ready to Take Your SAT Preparation to the Next Level?

Build your skills, learn from every practice test, and develop the confidence you need for the official SAT Test. Through intensive instruction and weekly practice, students will strengthen their SAT skills and make steady progress toward their goals.

Full-Length Practice Tests, Targeted Review & Core SAT Skills

This program combines a two-week December SAT Winter Intensive with an 8-week Saturday practice and review program.

During the December intensive, students complete full-length SAT practice tests followed by targeted instruction, with Reading & Writing focused on grammar and Math focused on Geometry and Trigonometry.

Beginning in January, students complete a full-length SAT practice test before each Saturday class. Class time is dedicated to reviewing test questions, analyzing mistakes, and strengthening key SAT skills and concepts.
