Winter SAT & ACT Prep

Winter SAT & ACT Prep

Winter Boot Camp • Dec 21-24, 28-31 (8 days)

An intensive preparation program utilizing our Elite Premier Tutoring packages to create a rigorous, boot camp-style schedule during winter break. Students build a strong foundation through focused instruction, guided practice, and targeted skill development in both Math and Reading/Writing.

How It Works

Instead of a separate winter program, simply enroll in an existing Elite Premier Tutoring package and we will customize it into an intensive Winter Boot Camp schedule.

For example, using a 15-session package, your student will come in on Monday for a full-length diagnostic test, followed by highly focused tutoring sessions from Tuesday through Thursday. Students come in for 2 sessions per day—one session dedicated to Math and one to Reading/Writing—totaling 4 hours of daily targeted instruction.
